

Booker T. Washington New Technology High School Annual Career Fair

February 29, 2012

Time: 9:00 a.m. – 11:30 a.m.

You are invited to participate. We are extending this invitation to business and professional leaders to meet with our students to orient them toward various occupations, including an explanation of entry-level requirements, and more importantly, your own personal insights into your occupation. As you know there is nothing like hearing it from the source.

Contact Patty G. Hamilton by February 10, 2012 if you would like to participate.
