REF: Supt. Gerald Dawkins makes presentation to Centralites at Central Elementary School

Supt. Gerald Dawkins will present a very special and rare framed photo, ready for wall mounting, of the historic graduating class of 1932 of Central Colored High School to Centralites at Central Elementary on Friday, February 10, 2012 at 10:00 a.m. in the school's Archival Room. The campus is located at 1627 Weinstock, Shreveport, LA 71103. The photo was given to Supt. Dawkins by Mr. Stephen Bolten, who will attend the presentation accompanied by his family. The timing of this presentation and gift are commemorating as we celebrate African American History Month. Central Colored High School is sincerely counted as one of the most influential institutions in existence for African American Shreveporters in the early 1900's. Its longevity is admirable and deserving of celebration!

Centralites will be present to witness and recant memories of times spent on the campus.

You are cordially invited to attend the ceremony and presentation.
